Online Continuing Education Courses available 365 days a year 24 hours a day 7 days a week!

EMS Academy’s Online Continuing Education Courses are approved for all levels. You may register for our online continuing education courses right on our website by clicking on the word register itself. Enter in your information and click on register in the box provided. Once you are a registered user on our website, an online payment option opens up. Simply make your payment and you are registered for online continuing education courses. Please email EMS Academy your EMT Number, level, and expiration date. We will enter you into the system and send an email back to you with your username, password and instructions. You can print out a certificate at the completion of each course to keep for your records. We automatically submit your credit to OEMS quarterly! The cost is \$70 per calendar year. There is no limit to the number of hours you may take! Please register on www.emsacademy.biz
